STELLAR GRAPE

FLOOR + PENDANT LIGHTS

BY SEBASTIAN HERKNER

pulpo

RADIANCE. BUNDLED. GALACTIC.

Sebastian Herkner's Stellar Grape brings multiple Stellar lights together in a single, harmonious composition—offering an intimate encounter with contemporary lighting innovation. Reminiscent of a cluster of grapes, this sculptural suspension light is available in two elegant colourways: smoky grey or transparent.

PRODUCT CHARACTERISTICS

The Stellar Grape is a masterwork of traditional craftsmanship. Each lamp is handmade and has characteristic features such as irregularities in glass thickness, colour variations, small bubbles or bumps in the glass or the base.

FLOOR SMALL

FLOOR LIGHT

BASE
powder coated steel

SHADE
handblown coloured glass

CABLE
2300 mm, with foot switch/dimmer and Euro plug

DIMENSIONS (mm)
Ø 610 × 860 H

LIGHT SOURCE
Bulb: LED filament dimmable
Bulb fitting: E27
Dimensions bulb (mm): Ø 45 × 75 H
Power consumption: 4 Watt
Voltage (V): 220–240; 50/60 Hz
Lifetime: 30 000 h
Colour temperature: 2700 K
Lumen: 340 lm
Finish: warm white

CARE INSTRUCTIONS

Regular cleaning and maintenance is important in order to keep your pulpo product looking its best and to prolong its life. Always remove any kind of dirt as soon as possible. We recommend that you first test a small, invisible area to ensure that no colour change or damage arises to the product. Do not use materials for maintenance that contain abrasive agents or are basic, acid or organic.

GLASS CLEANING

For dusting and light cleaning of glass use a soft, dry cloth. For further cleaning gently wipe the surface with a soft cloth wrung in clean water and a non-abrasive commercial glass cleaner. Dry immediately afterwards with a soft, dry and clean cloth. Please note that bubbles, streaks and other variations in size and colour are part of the production process, and not defects of the design or production of handmade glass.

METAL CLEANING

For dusting and light cleaning of the base, use a soft and dry cloth. For further cleaning, gently wipe the surface with a soft cloth wrung in clean water and a neutral detergent or soap flakes of good quality. Dry immediately afterwards with a soft, dry and clean cloth. For the best maintenance of the product, care for it regularly, protect it against direct sunlight and heat, and try to keep it away from moisture, grease, and other dirt. Furthermore, protect the surfaces against sharp objects and other that might scratch.
