

ASHERA

Design by
Noémie Rognon

Description

For this "eco-design" table, form and material are inseparable, the ultimate aim being to highlight the warmth and nobility of the material. It could fit perfectly into a project entitled, "une forme, 3 essences, 8 finitions" ("one shape, 3 species, 8 finishes")!

Low table with assembled solid wood structure and top in 12 mm thick toughened "cristal" glass with tapered edges.
