

atoll

by Sebastian Herkner
CANDLE HOLDER

These simple forms refer to the free-form nature of volcanic islands – much like the changing of glass from liquid to solide. Punctuated simply with a series of holes in which to place your candles, the atoll series does not over-complicate, simply bringing the beauty of cast glass to the fore.

PROCESS

Each piece is created from transparent or coloured cast glass. Bubbles, streaks and other variations in size and colour are part of the production process, and not defects of the design or production.

CARE INSTRUCTIONS

Regular cleaning and maintenance is important in order to keep your pulpo product looking its best and to prolong its life. Always remove any kind of dirt as soon as possible. We recommend that you first test a small, invisible area to ensure that no colour change or damage arises to the product. Do not use materials for maintenance that contain abrasive agents or are basic, acid or organic.

GLASS CLEANING

For dusting and light cleaning of glass use a soft, dry cloth. For further cleaning gently wipe the surface with a soft cloth wrung in clean water and a non-abrasive commercial glass cleaner. Dry immediately afterwards with a soft, dry and clean cloth.
