BOB COLLECTION

Explore the versatility of the BOB collection, offering mobile outdoor LED lamps in three distinct sizes: small table lamps, large table or floor lamps, and extra-large floor lamps.

Crafted with rotation moulded PE light bulbs and powder-coated aluminum frames, these lamps are available in a variety of custom colors..

Charging each lamp is as simple as using a USB cable, averaging 3 to 4 hours for a full charge that provides 8 to 10 hours of light, depending on the intensity selected.

Customize your lighting experience with two temperature settings—candlelight warm white and cool white—and two brightness options, 50% or 100%. For added ambiance, opt for the candlelight flickering mode.

USB CHARGING

Each lamp has a USB-C connection port. Connect to a computer or wall outlet adapter with included wire.
